

Elementols Product Price List

ELEMENTOLS ECO-ETHICAL FRIENDLY

We use natural ingredients in our Elementol product range including pure essential oils rather than synthetic or fragrance. The essential oils have been thoughtfully selected for their therapeutic properties which are reputed to help promote health and wellbeing, as well as their beautiful aromas which make them delightful to use.

As part of our environmental policy, we have made a conscious decision to use bottles which are the least detrimental to the environment during their disintegration process.

Price UK sterling '£' (*exclusive of postage & packing and any applicable costs. Prices are subject to change without notice*)
